20th Anniversary  
CELEBRATION

Benefiting The Children's Home of Easton & Northampton County Historical and Genealogical Society

A MILESTONE WORTH

*Celebrating*

In 2026, the Lehigh Valley Wine Gala & Auction marks a truly extraordinary milestone – **20 years of generosity, community, and impact.**

What began as a single evening bringing people together around great wine and a great cause has grown into one of the region's most anticipated philanthropic events. Over the past two decades, the Wine Gala has united donors, business leaders, vintners, and volunteers in support of children and families, creating a legacy that reaches far beyond one night.

The 20th Anniversary Wine Gala, taking place April 18, 2026 at Saucon Valley Country Club, is not simply a celebration of the past – it is a bold look toward the future.

This milestone year is elevated by the presence of two nationally recognized wine chairs, each bringing a distinct philosophy, story, and tasting experience to the evening. Together, they create a once-in-a-generation opportunity to experience exceptional wines while celebrating the enduring impact of the Wine Gala.

***For our sponsors,  
2026 is different.***

**THIS IS A YEAR DEFINED BY:**

- Limited, legacy-level sponsorship opportunities
- Elevated wine and culinary experiences
- Expanded recognition before, during, and after the event
- A permanent place in the story of the Wine Gala's first 20 years

By joining us as a 2026 sponsor, you are not simply supporting an event – you are becoming part of a legacy that will be remembered long after the final toast is raised. **Join The Children's Home of Easton and the Northampton County Historical and Genealogical Society** celebrate where we've been, honor what we've accomplished together, and invest in the next chapter of impact.

## 2026 Wine Gala Sponsorships

For our 20th Anniversary, we wanted the wine experience to feel as extraordinary as the milestone itself. Welcoming two Wine Chairs allows us to offer guests a richer, more dynamic journey through Napa Valley—pairing distinct winemaking philosophies and signature varieties across the evening.

It also reflects the spirit of the Wine Gala: bringing people together, expanding the experience, and raising the bar for what's possible when community and craft align. With **Turley Wine Cellars** and **Robert Sinskey Vineyards** side by side, the 2026 Gala becomes a once-in-a-generation celebration worthy of this landmark year.

TWO THOUSAND TWENTY-SIX WINE CHAIR

# Christina Turley

### VICE PRESIDENT, DIRECTOR OF SALES & MARKETING TURLEY WINE CELLARS

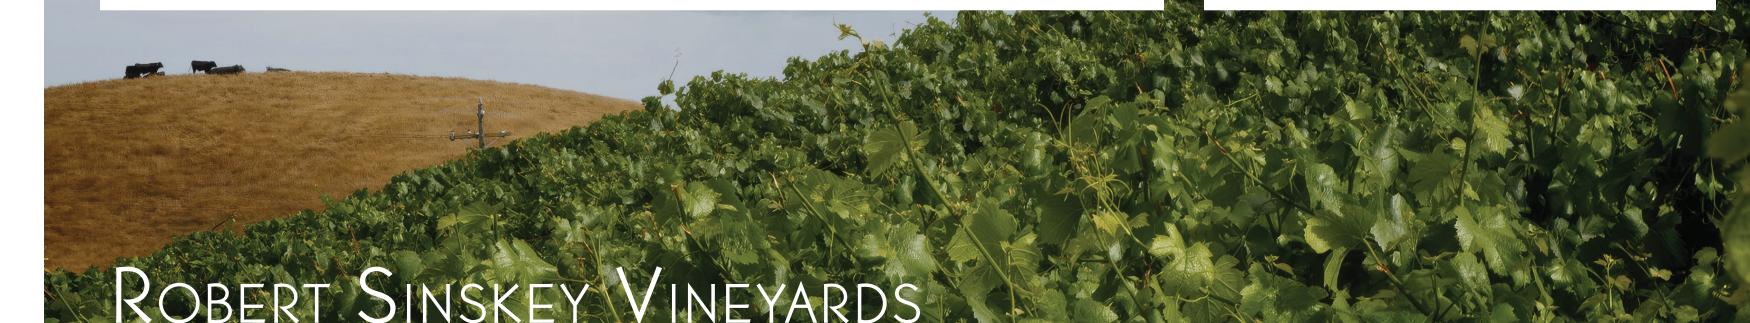

The oldest of founder Larry Turley's four daughters, Christina spent summers growing up working beside her father in the winery. She moved to New York to attend Barnard College at Columbia University, and graduated in 2006 with a BA in Art History. After a brief stint at Matthew Marks Gallery, she buckled down and finally got serious about wine, becoming a Certified Sommelier with the Court of Master Sommeliers and passing the WSET Advanced program with Honors.

She became entrenched in the NYC restaurant scene and eventually worked her way up to become the beverage director for the Momofuku Restaurant Group. After 8 years in New York her father finally guilted her into returning to her roots, and following a temporary period as a sales representative for Chambers & Chambers Wine Merchants, Christina joined Turley full time in 2010. She has since been named to both Forbes' "30 Under 30" and Wine Enthusiast's "40 Under 40."

# Rob Sinskey

### ROBERT SINSKEY VINEYARDS

#### DAYDREAM BELIEVER, VINTNER ROBERT SINSKEY VINEYARDS

After 20 years, Robert Sinskey's philosophy is that "Wine is not an athletic event" holds true to this day. For Sinskey, the goal has always been to make "pure wines of character that pair well with cuisine." Robert Sinskey Vineyards is spreading the gospel that organically grown grapes produce fine wines of great individuality. Rob Sinskey believes that making luxuriously elegant wines and farming with earth friendly methods are not mutually exclusive. Rather, he has found that caring for the land organically, combined with conscientious business practices (including a solar powered winery, using biodiesel from used restaurant oil in tractors and trucks, and having sheep and chickens mow the cover crops) have helped define the well-crafted wines of Robert Sinskey Vineyards.
